Pikeville, Kentucky

Record Memorial (Faith Chapel — O'Rear-Robinson Library)

“the pulse of Eastern Kentucky’s future”

When a college lives, learns, and prospers in a community, the community also progresses. The college and community become two interdependent teams working for each other's development and betterment.

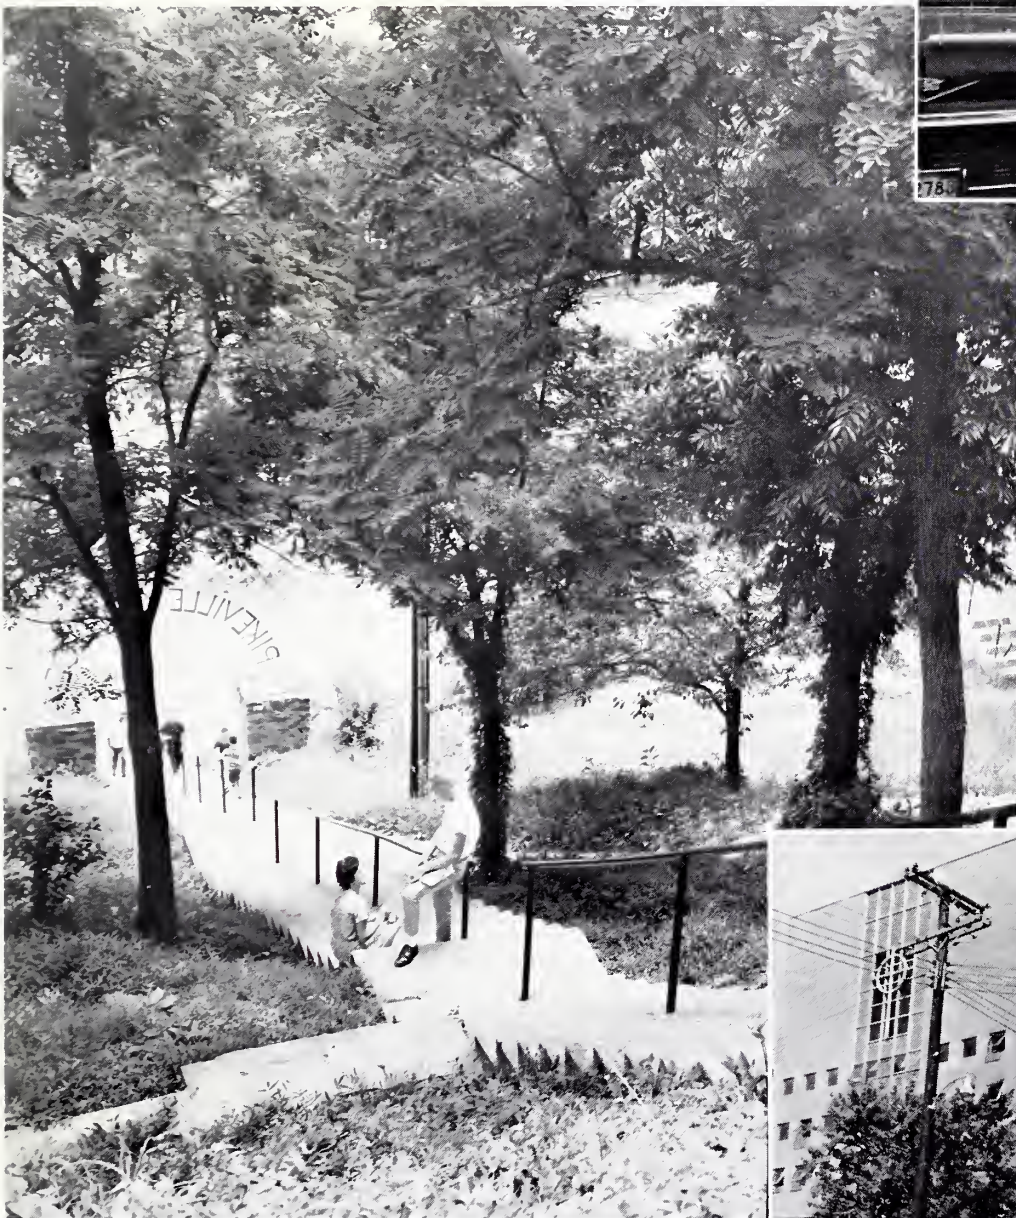

In the following pages we shall attempt to show how Pikeville College and Pikeville work hand in hand with each other in recreation, education, work, and the other facets of college and community life.

Upon entering Pikeville you see signs of the close knit cooperation between the college and the community.

And see what our college does in the community.

Our college has an excellent student teaching program in our city and county schools.

The county agent and soil conservation specialist cooperates with the college in a conservation workshop.

Churches of the community provide us with worship services, youth programs, and religious guidance. Most of the major denominations are represented in the town.

All ministers in our community have open doors and hearts for counseling as is shown here by a Baptist minister.

Pikeville College is a Presbyterian related college. Here is our Presbyterian minister greeting students after morning worship.

The Methodist Hospital provides emergency room treatment and hospitalization for students through an agreement set up with the college. Here is a student blood donor.

Nowhere can Medical Technicians receive better training.

Plans are now complete for the immunization program for the college in cooperation with the Pike County Health Department.

Shopping

For the lady?

For a gift?

For the prom?

For Civic Organization?

The Pikeville Kiwanis Club sponsors the Circle K Club on Campus.

For food?

A very common meeting place in our community is a restaurant or drive-in.

For recreation?

Local bowling lanes have established special rates for college students, thus affording us one inexpensive form of recreation.

Here students take advantage of "SPARE" time.

Our President

Dr. Jarman came to Pikeville College during the spring semester of 1963. He became the ninth president and on October 12, 1963, was the first president to be formally inaugurated into our college.

Dr. Jarman came to Pikeville with extensive educational experiences. He attended the Public Schools of Maryland and Pennsylvania. He earned his B.S. Degree from Pennsylvania State College; his A.M. Degree and the Ed.D. from George Washington University; and the Litt.D. from the Ewha. Women's University, Seoul, Korea.

He served as Chief Advisor on Higher Education to the Ministry of Education of the national government of Korea, under the sponsorship of the U.S. Department of State.

He has had numerous publications and belongs to several honor societies. He has received various citations from the United States Government as well as from many Civic organizations.

We welcome Dr. and Mrs. Jarman to our College; we feel Pikeville will continue to grow under his leadership.

Record Staff

The Record is the official newspaper of Pikeville College published for and by the students of the college, and printed weekly as a special section of the *Pike County News*.

The Record, as an organization, has a system of pins and keys, whereby any member serving for a period of two years is eligible to receive a pin, and after three years may earn a key. As its fund raising project, *The Record* sponsors an annual Spring Talent Night, featuring only college talent. The purpose of the program is to raise enough money to cover expense of the keys and pins.

Melvin Keen, President, explains the fine points of the M-1.

The United States has long been known as a nation of riflemen. The individual American armed with the rifle has figured significantly and, in most cases, decisively in our history from the early days of the Revolution to the present day. Through many wars we have fought to maintain our freedom, and the deciding factors which gave us victory were the qualities and efficiency of the riflemen we sent into battle. We dedicate this club toward the propagation of this purpose and toward the instillment of a sense of responsibility, sportsmanship, safety, and skill in the use of firearms.

Pikeville Concert Association

As in past years the College cooperated with the Pikeville Concert Association in bringing outstanding programs to the campus and community. The exciting Spanish dancers and flashing costumes of the Jose Malino Bailes Espanoles opened this year's series followed by the Columbus Boy Choir, the Michael-Ruff Jazz Trio, and the Kentucky Youth Symphony. The concerts were well attended and enthusiastically received by both students and town citizens.

Concert Association Officers: Mrs. Lon Rogers, Mr. Rogers, Mr. South Whitt, Mrs. Frank Ramsey, and Miss Katherine Griswold.

Features . . .

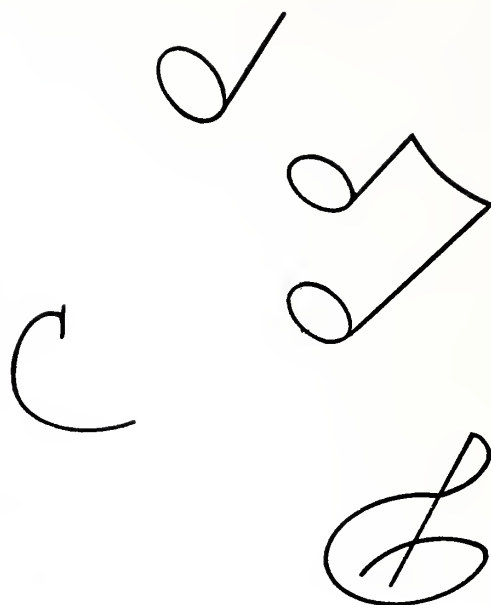

Lexington Little Symphony

The Student Council and Circle K cooperated in bringing this fine musical group to the campus. The concert was made possible by the cooperation of the Commonwealth of Kentucky and the Council of Higher Education. The orchestra selects a local soloist to appear with the orchestra at each of its concerts. At Pikeville College, Paul Hoover had this honor. Circle K used its profit from the concert for two gifts to local charities.

"Hole in the Bucket"

The Sycamore Singers

The Sycamore Singers were organized this year under the direction of Mr. William Smith, Head of the Music Department. This group composed of Mr. Smith, James Hodges, Sharon Hall, Robert Fleming, Sandra Terry, and Margaret Mullins was organized as a folk singing group. Besides several appearances on campus the group sang at the Maui Rotary Club, The Circle K Kentucky-Tennessee Convention and several other community functions. The Hootenannys put on by the Sycamore Singers were enjoyed by all who heard them.

The P. C. Bears

Final statistics received from the National Association of Intercollegiate Athletics in Kansas City reveal the following facts about the 1963-64 edition of the Pikeville College Bears.

Don Elliot, who was named to the All-KIAC team, led the Bears in scoring with 457 points for an average of 45.8 points per game. Don also led the team in rebounding with a total of 320 for an average of 11 rebounds per game.

Ira "T-Bone" Lewis led the team in field goal percentages with a shooting mark of 49.4%.

Free-throw accuracy award came to Charles Taylor who topped the team with a free throw percentage of 81.2%.

Individual one-game high marks for this season found Raynor Mullins scoring the most points with 37 against Cumberland. Ira Joe Lewis scoring the most field goals with 43 against Georgetown. Raynor Mullins led with the most free throws, 17 against Cumberland. Don Blair garnered the most rebounds with 24 against Kentucky Christian.

The Bears' final won-lost record was 11-18 and ironically enough, according to final statistics, the Bears averaged 77.1 points per game.
